RE: News Update- March 2011

Zero Waste Energy Systems of Aurora, Ontario Canada, is delighted to announce a new “Regional Distributor” with Plastminds of São Paulo, Brazil for the **revolution™** waste processing system and our modular **ADvantage System** anaerobic digesters.

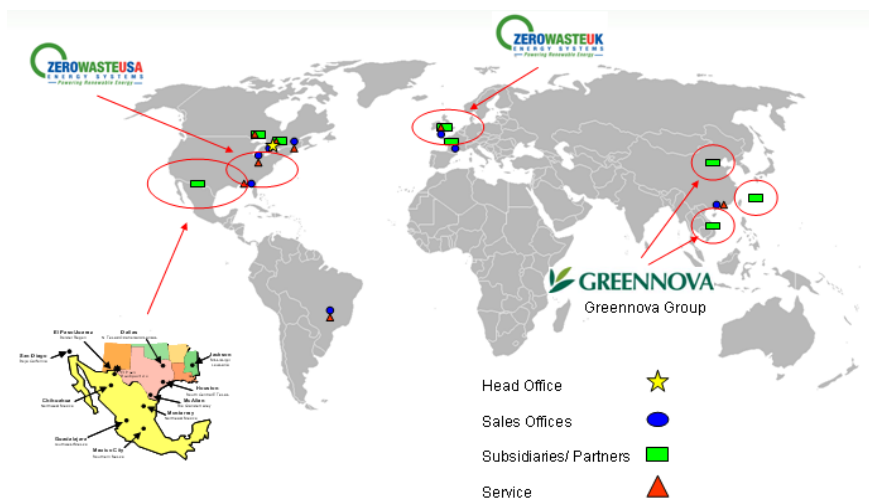

The relationship started over 1 year ago between the two Presidents; Bruce Coxhead (ZWES) and Ricardo C. Pereira (Plastminds) from waste to energy requirements for projects in Brazil.

Plastminds – Planejamento e Desenvolvimento Ltda., founded in April 2002, is a privately owned Brazilian company based in São Paulo, Brazil, dedicated to:

- IT and Management Consulting;
- Professional Development Training;
- Planning, Installation and Maintenance on Industrial Electro Mechanical Equipment;
- Distribution of Industrial Equipment.
